An Interesting Problem !

Does the small extra cost of good seed viewed in relation to ultimate satisfactory crop yields justify the outlay?

Or Inversely

Does the small saving in buying "ordinary seed," taking into consideration labor, weed problems and reduced returns, warrant the purchase?

INTRODUCTION

We take pleasure in presenting and commending to your careful study our Fifteenth Annual Prize List.

In it you will find a number of changes, the most important being the co-operative Shows held in conjunction with Kildonan and St. Paul's Agricultural Society. It has long been felt that due to the close proximity and similarity of interests neither Society could function to the best advantage to their individual members or to the territory they served. With the idea in mind of eliminating as far as possible the unnecessary waste of time, money and material caused by a duplication of effort, your Executive sought ways and means of forming an amalgamation. After many conferences at various times and places it was found that, for this year at least, amalgamation was impracticable. Out of the discussions, however, a scheme was evolved that it is proposed to put into effect this year. It does not establish any precedent and we are not definitely committed to continue if it does not prove satisfactory to both Societies.

Briefly told, it is this: ALL FLOWER EXHIBITS FOR BOTH SOCIETIES WILL BE SHOWN AT ELMWOOD, and ALL VEGETABLES, FRUIT, HONEY, FANCY WORK AND DOMESTIC SCIENCE FOR BOTH SOCIETIES WILL BE SHOWN AT KILDONAN TWO WEEKS LATER. This is no doubt a radical departure from our usual custom, but a little study will soon convince you that it is a very wise one, and one which should have taken place years ago. We have gone deeply and thoroughly into the question from every angle and are firmly convinced that the advantages far outnumber the disadvantages, and that the result will be mutually beneficial to both Societies.

Another change to be made, and one which we know will please the majority of our members, is that the Exhibition this year will be held in the Elmwood Curling Rink. The building lends itself admirably to such a purpose, and its suitability for an exhibition of flowers such as we will have is obvious.

There are other minor changes that will be noted by you throughout the catalogue. Prizes have been increased and classes enlarged. The School Work, Map Drawing, Writing, etc., has been eliminated; entry fees have been increased to ten cents per entry in the Amateur and Novice classes, but the privileges of a combined total of ten free entries in either or both Shows has been retained. This means that a member will get one dollar's worth of free entries with his dollar membership, as well as free admission to both Shows. As in the past, memberships do not carry free entries in the Open Classes.

The place of exhibition and the entry fee will be shown at the top of each class. Entries may be made to the Secretary of either Society, but it would be preferred if they were made through the Secretary of the Society to which you belong.

The Home Grounds, Waugh Shield, and Public Servants' Competitions remain as formerly, including the vegetables, which will be shown at Elmwood with the Flowers.

ELMWOOD SHOW, FRIDAY AND SATURDAY, AUGUST 21 and 22, in the Elmwood Curling Rink, includes ALL FLOWERS, AND ALL EXHIBITS IN THE WAUGH SHIELD AND PUBLIC SERVANTS' CLASSES, and two weeks later,

KILDONAN SHOW, FRIDAY AND SATURDAY, SEPTEMBER 4 and 5, at their Fair Grounds, includes ALL VEGETABLES, FRUIT, HONEY, FANCY WORK, and DOMESTIC SCIENCE.

Your Executive have been untiring in their efforts to iron out the difficulties in this scheme, and the result rests entirely with you, as members, and the general public. Provision has been made for absolutely the biggest and finest Exhibition in Winnipeg this year. We have the material and we have the ability—all we need is your co-operation. Let us eat, sleep, and drink this thing until we become so enthused that anything but an outstanding success is impossible.

In conclusion, we thank sincerely all those who have made this Prize List possible, the Advertisers; our widely-spread circle of friends who have so generously donated the special prizes; to the Exhibitors who will make this an Exhibition well worth seeing; and to the general public who will flock in their hundreds to see it and make it pay, we thank you, one and all.

D. MARTELL,
Secretary-Treasurer.

E. L. WELTON,
President.

GENERAL RULES AND REGULATIONS. 1931

READ CAREFULLY BEFORE MAKING ENTRIES

1. Entry fees will be shown printed at the head of each class and must accompany entries.

2. Closed competition is limited to amateurs residing within the area covered by the Society, viz., all that portion lying East of the Red River and known as Elmwood, and that portion of East Kildonan as far North as Trent Ave., and East as far as the C.P.R. tracks; also all that territory covered by Kildonan and St. Paul Agricultural Society.

3. The annual membership fee of \$1.00, which must be paid before any entry will be accepted (open classes in flowers excepted, see Rule No. 4), entitles the member to a total of ten free entries, or premiums as offered by the Society; also free admission to the Annual Exhibitions of Elmwood Horticultural Society and Kildonan and St. Paul Agricultural Society. Admission tickets are not transferable.

4. Exhibits may be entered in the Open Classes by exhibitors residing outside the territory without holding membership in the Society upon payment of 15c per entry.

5. On all payments of prize money to adults amounting to \$3.00 or over, the membership fee of \$1.00 for the following year will be retained. **This also applies to the Open Classes.**

6. Entries must be made on the attached form to the Secretary, D. Martell, 216 Donald Ave., East Kildonan, as follows:

Garden Competition—Not later than Monday, July 27, 1931, judging to take place about August 1, 1931.

Flowers, Public Servants, and Waugh Shield Exhibits—Not later than Tuesday, August 18, 1931.

All Other Classes, Vegetables, Domestic Science, etc.—Not later than Tuesday, September 1, 1931.

7. All exhibits must be in the building by 12 p.m. the evening of Thursday, August 20th, and September 3rd, respectively. Before any exhibit may be moved, at the close of the Show, the hall shall be cleared of all persons except the officials, and no persons shall be admitted other than exhibitors, or their duly appointed representatives, with such helpers as may be appointed by the Committee.

8. All Flowers and Vegetables must be grown by the Exhibitor. In the case of flowering or decorative plants they must have been in the possession of the Exhibitor at least six weeks before the date of the Show. All Pot Plants must have been grown in the vessel in which they are exhibited for at least six weeks before the Show.

9. Prizes may be reduced in value or withheld entirely in any section where the judges consider the exhibits are too few in number or are not of sufficient merit to justify the full award being made.

10. No 3rd prize will be awarded unless there are at least four exhibits in the section, or unless the judges consider them of outstanding merit.

11. Exhibitors will be allowed to make more than one entry in each section, but one prize only will be awarded to each Exhibitor in any one section.

12. In the Fancy Work sections no exhibit will be accepted that has previously won a prize in any exhibition.

13. Where an exhibit is from a garden worked by two or more persons jointly the entry shall be made in the joint names, and not more than one prize shall be awarded in any one section to any of such persons, either jointly or individually. For the purpose of this rule a man and his wife shall be treated as joint workers.

GENERAL RULES AND REGULATIONS—Continued

14. Any Exhibitor may appeal against the decision of the judges in any competition by lodging with the Secretary before the close of the Show a statement in writing of his objection, together with a protest fee of \$2.00 which shall be forfeited if the appellant fails to proceed with his appeal or in case the objection is held to be trivial.

15. Where any Exhibitor has practised or attempted any fraud or deception the whole of the awards or prizes gained by him in all sections of this Exhibition shall be withheld and forfeited, and he may be debarred from Shows held by this Society for a period of two years.

16. Any matter or question not specifically dealt with by these Rules shall be referred to the Directors, whose decision shall be final.

17. Prizes will be paid, at the discretion of the Directors, in cash or donated goods of equal value.

18. This Prize List is based on the assumption that the Society will receive the usual Provincial and Municipal Grants, and if for any reason such grants are not received, in whole or in part, the prizes shall be abated accordingly.

19. No one will be allowed in the Hall during judging except the Executive or persons appointed by the Executive. Officials will be designated by badges.

20. Admission to the Exhibition each time of entering, Adults 25c, Children 14 years and under 10c. All children under the age of 10 years, when accompanied by parents, will be admitted free of charge. Cars may be parked in the grounds for 25c.

JUNIOR MEMBERSHIP

21. The Annual Junior Membership Fee of Twenty-five cents (25c), which must be paid before any entry will be accepted, entitles the junior member to a Collection of Seeds for the Waugh Shield Garden Competition, Gladioli Bulbs at the discretion of the Society, free entries in all children's classes, and admission to the Annual Exhibitions.

NOVICE

22. Novice is one who has not won a prize anywhere in this class of work in any Exhibition. A prize won for an exhibit in an Exhibition does not prevent a member from entering his garden as a novice, providing he has not previously won a prize for a garden.

AMATEUR

23. For the purposes of this Society an amateur will be interpreted to mean an Exhibitor who does not habitually sell or offer for sale cut flowers, or bulbs, roots or tubers of flowers.

SHIPPING INSTRUCTIONS

24. Any exhibit which is shipped to the Elmwood Horticultural Society must be sent prepaid by express to Winnipeg. It will, without charge, be unpacked and staged by the committee in charge. These exhibits must be delivered by 10 a.m. the Friday of the Show.

If the exhibit is to be returned, prepay return charges and written instructions must be sent to the Secretary.

Greatest possible care will be taken to prevent damage of any kind, but the management will not be held liable for any damage which may occur in transit or during Exhibition.

"I ATTRIBUTE MY SUCCESS in a great way to your product and can highly recommend it to anyone desiring to obtain the results I did," writes George H. Young, of Winnipeg. Mr. Young captured the Shaughnessy Shield for the best kept grounds and garden in Greater Winnipeg in 1930.

Carus Manganese Sulphate

Helps plants to mature earlier.

Improves their quality and flavor.

Prevents "Yellows" of plants growing on sweet soils.

Ideal for tomatoes, cucumbers, beans, spinach, radishes, carrots, etc.

Flowers of all kinds blossom better with it.

Excellent for trees and shrubs.

Leading golf courses and bowling greens use it to maintain good greens.

Mixed with regular nitrogen, phosphorus and potassium fertilizer, it replaces manure.

These diagrams give an illustration of how your garden may be laid out, but under no circumstances must a path be shown, and the garden must be all in one place. Keep it well cultivated and free from weeds.

Beautify Your Home — Use **VIGORO**

You can beautify your home by having a velvety green lawn, crisp succulent vegetables, colorful flowers, luxuriant shrubbery, and stately trees, if you will keep in mind the fact that plants, like human beings, must be fed—and fed the right kind of plantfood.

VIGORO provides an economical, practical and effective way to secure the finest results. Economical because the cost is only 10c to 20c for every 100 square feet. Practical because it is clean, odorless and easy to apply. Effective because it contains all the elements of plantfood required to produce early, vigorous growth and bring fruit, flowers and foliage, to full development. Complete directions in every bag.

Imperial 'Tornado' Garden Weeders

You push this cultivator the same as operating a lawn mower and it works almost as easily.

8½ inch "Tornado Weeder," complete with three cultivator teeth and leaf guards. Price, each \$6.25.

10½ inch "Tornado Weeder," complete with three cultivator teeth and leaf guards. Price, each \$6.95.

Seeder

Drill Seeder Attachment, to handle garden or flower seeds of various sizes. Hopper holds 1 quart.

Seeder Attachment Only, complete with connecting parts and wheel. Price, each \$6.65.

Combination Drill, Seeder and Cultivator

One of the Most Popular Garden Tools in Western Canada

The Imperial Seeder will sow all different kinds of garden seeds—quickly, and at an even depth and spacing. The Feed, while simple, is adjustable to handle a great variety of seeds.

All Parts are Interchangeable, and it can be used first as a drill seeder or drill dropper. When the plants have started to grow the two-wheel cultivator attachment is used, working straddle of rows. It can be set to sow continuously in hills, 9, 12, 18 or 36 inches apart.

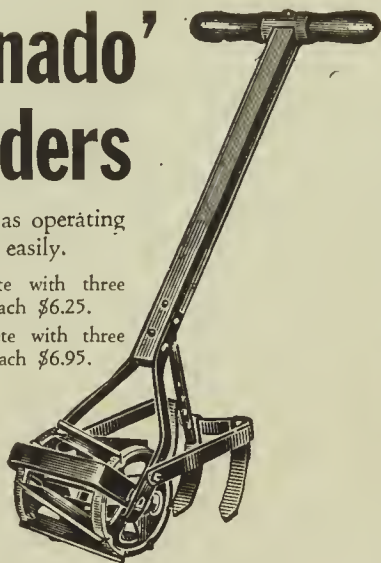

Imperial Combination Outfit for the Garden Seeder and Cultivator. Price, \$12.75.

Drill Seeder, as shown above, complete with handles. Price, \$9.95.

Hand Cultivator only, consisting of two handles, frame, five teeth, two hoes, two plows, two wheels. Price, \$6.00.

Complete line of garden cultivators carried in stock.
